Commentary

Positive increase of 6.33% compared to the corresponding period last year, 4th Quarter 2020
 Positive growth of 9.64% compared to the previous quarter, 3rd Quarter 2021

A new record grind for the CAA further underscoring the robustness of Asia’s industry and demand. An improvement in the Covid situation across the region helped the region bounce back strongly from the previous quarter and ward off other situational challenges that surfaced during the quarter.
